

RV Entertainment is Here

Dynamic Sound Quality

The Highest
Tech RV Radio
System in the
World!

Welcome to the newest entertainment system for your RV. Full 1080p with HDMI front and rear easy connection. For laptop, gaming or even google chrome.

Enjoy the high quality video and audio to one, two, or all three zones at a time.

Play music from your phone via Bluetooth, video or music files from a usb or SD card.

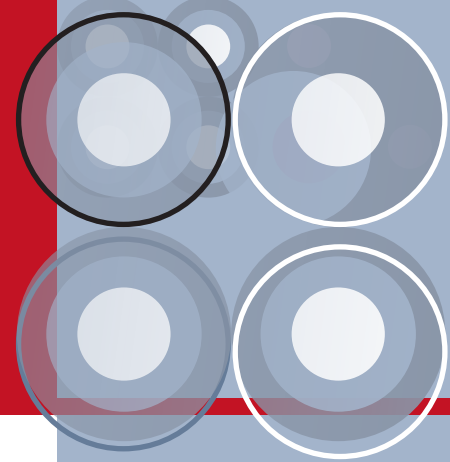

Digital Amplifiers for crystal clean sound and 180 total watts of power.

Remote control included.

Or use the first and only smartphone app for full control of all three zones of output.

Any Class RV * Full 3 Year Warranty

CSS, Inc. is the distributor. We sell direct to the public, thus cutting out any middleman mark-up. You get the highest quality at the best price.

Full Three year warranty is provided with all products we design and sell. Please check out our website for more products. Including: Overhead LCD/DVDs and Blu-ray players. Designed and built for rugged use.

Automotive, RV, and Marine.
